

## LENNOX MERIT® SERIES

Home Comfort Controls

### DIGITAL THERMOSTAT

Precise temperature control at the touch of a button

LENNOX

INNOVATION NEVER FELT SO GOOD.™

# Lennox Merit® Series Digital Thermostat

Innovation never felt so good.™

Large display and buttons for ease of use and convenience

Intuitive, advanced electronics for precise control of temperature

Stylish design complements any interior setting

## SIMPLE, ACCURATE TEMPERATURE CONTROL

## Control Easy to read and use

Merit® Series non-programmable digital thermostat offers simple touch operation, along with precise temperature control. The intuitive, advanced electronics provide accurate temperatures at the touch of a button.

## Convenience Large buttons and display

Operation couldn't be easier. Large rubber buttons and backlit display allow you to quickly find the right setting, day or night—no more fumbling with clumsy dials or slides. Once you've adjusted the temperature, the digital control accurately maintains the desired temperature.

### WARRANTY

2-year limited warranty.

Feature	How It Works
<b>Large, Easy-To-Read LCD Screen</b>	Displays room temperature.
<b>Digital Display with Large Buttons</b>	Offers more accurate control of temperature settings than mechanical controls; easy to push.
<b>Sleek, Modern Appearance</b>	Works well with any décor.
<b>System Status Icons</b>	Show when your system is running.
<b>Fan Button</b>	Allows you to select continuous or automatic operation.
<b>Filter Monitor</b>	Reminds you when it's time to change your filters.
<b>Service Monitor*</b>	Indicates when your cooling system is not operating properly.
<b>Dual-Fuel Capability**</b>	Increases the efficiency of dual-fuel heating systems by automatically alternating between gas and electric operation.
<b>Constant Power Supply</b>	Hard-wired to furnace power supply. No changing of alkaline batteries.

\*Heat pump models only.

\*\*A dual-fuel system combines a heat pump along with a furnace.
